

## **Los Angeles Museum of the Holocaust Bus & Field Trip Grants**

LAUSD Board Members, LA City Council Members and LA County Supervisors have discretionary funding for year-round bus grants. Schools merely need to contact their Representatives office and ask. Schools can learn who their elected officials are by visiting <http://www.votesmart.org/> and typing in their address.

Free buses may be available courtesy of the Los Angeles City Council member for the district in which your school is located. To apply for a free bus, go to <http://lacitycb.com/> and follow the instructions posted there. Bus requests could take up to 6 weeks to be approved.

LAMH is pleased to announce a special gift to fund buses for fieldtrips to the Museum from schools in San Diego County. We are extremely grateful to the late San Diego attorney Tom Adler for this transformative gift which greatly extends the Museum's outreach. Please contact Education Coordinator, Ilaria Benzoni-Clark ([Ilaria@lamoht.org](mailto:Ilaria@lamoht.org)) to find out more information.
